

GAME ASSET LICENSE

Unity BLUR Shader

Created/distributed by VOiD1 Gaming(www.void1gaming.com)

Creation date: 15th January 2021

The general use of license applies to both free and purchased assets downloaded through this site. The term "asset" refers to any media or tool downloaded either free-of-cost or for a charge through this website and its services. The term "this website" applies to www.void1gaming.com or any of its subdomains.

After purchasing an asset from this site you have non-exclusive rights to use it in commercial, personal or monetized derivative works which you create or which you create on behalf of another individual or entity, such as a business.

A derivative work is an end product that incorporates the asset as well as other things so that it is larger in scope and different in nature than the individual asset. Typical examples of this would be a Video Game, an application, a website, an Ebook, printed media amongst others.

Subject to your compliance with the terms and conditions of these Terms, VOiD1 Gaming grants you a limited, non-exclusive, non-transferable license to all resource purchased from VOiD1 Gaming store, without the right to sublicense contents.

1. Uses

1.1 - You can use, copy, adapt, modify, prepare derivative works based upon all purchased assets;

1.2 - You may use our game assets as many times as you like;

1.3 - Distribution of source files is NOT permitted;

1.4 - You can sell and distribute games with our assets.

1.5 - You are permitted to use the resources in any number of personal and commercial projects for yourself or a client.

1.6 - You can modify the resources according to your requirements and include them into works such as game projects, elements for websites, applications, printed materials and others;

2. Forbidden

2.1 - You can NOT resell the asset source files (PNG, JPG, EPS, Adobe Illustrator, Adobe Photoshop Document, MP3, WAV, OBJ, FBX, etc) or slightly modified version of the art.

2.2 - You can not redistribute the asset or modified version of the asset in a manner that would make some or all of the asset files useable to another end user via the app. For example, an app that uses the asset as part of the play of the game is allowed. An app that allows the user to save or export a modified version of the asset itself is not allowed.

2.3 - The license for an asset is non-reproducible and cannot be duplicated.

2.4 - The License grants permission for the usecase of one license per one user.

3. Attribution

No attribution or link back to this site is required, however any credit will be highly appreciated. Also, we would love to know if you do so.

Please contact us via our Social Handles to inform us about the usecase of our Assets.
